- Key**
- S3** CORE Workshops are those designed specifically for the pupils that have attended LIFT OFF to Success (LO2S)
  - S4** GENERAL Workshops are those for whole class groups (usually slotted into PSE time)
  - S5** All LIFT OFF workshops use student volunteers from partner colleges and universities. If you have an event in school where you feel that students could make a valuable contribution, please contact us.

(All of our student volunteers have undergone an enhanced disclosure check and have received training with LIFT OFF).

Please note that these times are flexible - we will always try to accommodate the requirements of the school.

School holidays have been shown as rough approximations, as they differ across the four local authorities we work in.
