

WHAT NEXT???

Are you thinking about going to college or university after school but not sure where to go from here, read on...

Choosing a college and university is all about what is the best decision for you! There are certain things you need to consider when choosing where to go next. Have a look below to help get you started.

Now that was just to get you started. Bear in mind there are pros and cons for all options and what may work well for one person won't for another.

Don't worry if you can't decide what options are best for you straight away. It is a big decision – so think hard about what is your best option!

DO SOME DIGGING!!!

Have a look online to see what courses our partner colleges and universities offer. For tips on searching for university courses use the UCAS help sheet on the blog.
